

Texas Division of Emergency Management State Situation Report

New Information in Blue Text

Event Name	23-0017 15Jun Severe Weather
Date	June 30, 2023
Time	10:00 AM
Operational Period	8:00 AM June 29 to 8:00 AM June 30, 2023
Report Number	15

Regions Affected	
TDEM Regions Affected	1 & 5
DCs Active	1, 5, 6

STATEWIDE CURRENT SITUATION: On June 26, Governor Abbott announced the Texas Health and Human Services Commission (HHSC) received federal approval for Supplemental Nutrition Assistance Program (SNAP) recipients in a dozen Texas counties to apply for replacement benefits for food lost or destroyed in severe storms occurring June 14-16.

SNAP recipients residing in the following counties are eligible to receive replacement benefits: Camp, Cass, Franklin, Gregg, Harrison, Marion, Morris, Ochiltree, Panola, Titus, Upshur, and Wood.

Eligible Texans can request replacement food benefits by dialing 2-1-1 and selecting option 8 or by downloading Form H1855 (Affidavit for Nonreceipt or Destroyed SNAP Benefits) on the HHSC website. Completed forms should be mailed to Texas Health and Human Services Commission, P.O. Box 149027, Austin, TX, 78714-9027, or faxed to 1-877-447-2839.

SNAP recipients with food lost or destroyed by the storms on June 14-16 must apply for replacement benefits by July 14. Replacement benefits will be placed on recipients' Lone Star Cards within two business days. For more information, visit HHSC's Receiving Disaster Assistance webpage.

Administered by HHSC, SNAP is a federal program that provides food assistance to approximately 1.6 million eligible, low-income families and individuals in Texas. Those in need can apply for benefits, including SNAP and Medicaid,

at YourTexasBenefits.com or can use the Your Texas Benefits mobile app to manage their benefits.

To find local resources, such as food or shelter, dial 2-1-1 and select option 1.

On June 23, Governor Abbott updated the state's disaster declaration to include additional Texas communities impacted by damage to homes and businesses caused by severe weather. This disaster declaration will continue to support response and recovery efforts by local and state officials in 23 Texas counties, including two added on June 23: Montgomery and Leon counties.

In response to a severe weather pattern that began in late May and has brought heavy rainfall, flash flooding, damaging wind, large hail, and tornadoes to communities across the state, the Texas State Operations Center remains at Level II (Escalated Response) at the Governor's direction to support requests for assistance from local officials.

Flooding began to impact counties in the Texas Panhandle, High Plains, and South Plains on May 27, causing widespread damage throughout the region. Governor Abbott issued a disaster declaration to address the impacts of flood damage to homes, businesses, and the agriculture industry. The Governor also directed TDEM to deploy the following state emergency response resources to support flood response operations:

- **Texas A&M Engineering Extension Service (Texas A&M Task Force 1):** 2 Swiftwater Boat Squads.
- **Texas A&M Forest Service:** 2 Texas Intrastate Fire Mutual Aid System Strike Teams comprised of High-Profile Vehicles and 2 Boat Teams.
- **Texas Department of Transportation:** Personnel to assist with traffic control and road closures.
- **Texas Parks and Wildlife:** Game Wardens and Boat Squads.
- **Texas Department of Public Safety:** Helicopters with hoist capability.
- **Texas A&M Engineering Extension Service (Public Works Response Team):** Personnel to support flood pump operations.
- **Texas National Guard:** 2 Ground Transportation Platoons with High Profile Vehicles.
- **Texas Commission on Environmental Quality:** Air/water/wastewater monitoring.
- **Texas Animal Health Commission:** Personnel to provide livestock support.

This weather pattern continued to impact the state, as severe thunderstorms brought large hail, damaging wind, and tornadoes to multiple Texas communities over the past few weeks. Governor Abbott directed TDEM to deploy state emergency response assets to the town of Perryton immediately following a devastating tornado in Northwest Texas. Additionally, the Governor issued a state disaster declaration for communities in Northwest and Northeast Texas impacted by damaging winds and severe storms that caused significant damage to electricity infrastructure. On Saturday, following severe storms and tornadoes in Ochiltree and Cass counties, Governor Abbott held a briefing with state and local officials in Perryton where he provided an update on the state's ongoing response and recovery efforts.

On June 18, the Governor provided an update on the state's ongoing response to severe storms. Governor Abbott updated the state's disaster declaration on Monday to add East Texas communities that suffered severe weather impacts and significant damage to electric infrastructure across the region, as local electric providers worked around the clock to restore power. Additional assets were deployed on Wednesday, and additional counties were added to the disaster declaration as impacts of the severe weather continued. Following severe storms and tornadoes causing damage to Matador and counties in the South Plains and Big Country regions, the Governor directed TDEM to mobilize additional response and recovery resources, and he added six Texas counties to the disaster declaration yesterday.

The following state resources remain engaged to support severe weather response and recovery operations across the state:

- **Texas Department of Transportation:** Personnel and heavy equipment for roadway debris clearing, traffic control, and sign and signal repairs.
- **Texas A&M Engineering Extension Service (Texas A&M Public Works Response Team):** Personnel and equipment to support utility, water, and wastewater treatment needs, support electricity infrastructure repair efforts, and operate the state resource staging area in Perryton.
- **Texas A&M Forest Service (TAMFS):** Texas Intrastate Fire Mutual Aid System Strike Teams, tactical water tenders, Incident Management Teams to support local firefighting capability and points of distribution and Saw Crews.
- **Texas Division of Emergency Management:** Emergency management personnel to support local emergency operations centers, food storage and hot meal distribution, and to coordinate the establishment of Points of Distribution (PODs) across the impacted counties for members of the community to pick up water, ice, and Meals Ready to Eat (MREs); Operations Technology personnel to support resource needs; Response and Recovery personnel to conduct damage assessments and coordinate requests for assistance; activated state disaster contracts for emergency resource transportation and fuel for generators; coordination of cellular connectivity for first responder communications; State

Mass Care Coordination; base camp operations to house responding crews; and a resource staging area to support impacted jurisdictions.

- **Texas Department of State Health Services (Texas Emergency Medical Task Force):** Mobile Medical Unit to support local hospital operations, Medical Incident Support Teams, ambulance buses, and ambulances supporting local hospitals, nursing homes, and emergency medical services.
- **Texas Health and Human Services Commission:** Utilizing contracts for local ice and water needs.
- **Texas A&M Engineering Extension Service (Texas A&M Task Force 2):** Search and Rescue Teams.
- **Texas Parks and Wildlife Department:** Game Wardens assisting with supply delivery and security in affected areas.
- **Texas Commission on Environmental Quality:** Personnel and equipment to assist with air/water/wastewater monitoring.
- **Texas A&M Agrilife Extension Service:** Disaster Assessment and Recovery Agents to assist with damage assessments and County Extension Agents supporting disaster needs assessments.
- **Public Utility Commission of Texas:** Working with utility providers to send additional crews to impacted areas to repair damaged electric infrastructure.
- **Texas Department of Public Safety:** Texas Highway Patrol providing security at points of distribution and Driver License Disaster Recovery Unit providing driver licenses at the Community Resource Center in Perryton.
- **Texas National Guard:** Personnel and high-profile vehicles for movement of emergency supplies and to support points of distribution and resource staging areas.
- **Texas A&M Veterinary Emergency Team:** Providing support to local veterinary services in impacted communities.
- **Texas Animal Health Commission:** Field personnel assisting with livestock hydration.

Last week, the Governor directed TDEM to request joint disaster damage assessments with the Federal Emergency Management Agency (FEMA) and the U.S. Small Business Administration (SBA) to determine the state's eligibility for federal disaster assistance for Texans whose properties were affected by flooding and severe weather. These damage assessments are in process and state personnel are working alongside federal and local response and recovery personnel to quickly determine

whether these damages meet the federal threshold requirements for various forms of federal disaster assistance for impacted individuals and communities. Impacted Texans are encouraged to report storm damage using TDEM's Individual State of Texas Assessment Tool (iSTAT) self-reporting damage survey to assist emergency management officials identify resource needs and determine the state's eligibility for various forms of federal disaster assistance. The survey is available in English and Spanish online at damage.tdem.texas.gov.

Additionally, with another round of severe storms in the forecast for the northern part of the state today, Texans are encouraged to remain weather aware and monitor local weather reports.

Extreme heat remains an ongoing threat, and Texans are urged to implement measures to stay safe in triple-digit temperatures. A list of cooling centers opened by local officials is available at tdem.texas.gov/cool.

[Read the Governor's updated disaster declaration.](#)

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

Region 1 (Includes DDCs 4, 5, 6, and 22)

DDC 5 – Mt. Pleasant (Includes: Bowie, Cass, Delta, Franklin, Hopkins, Lamar, Morris, Red River, and Titus Counties) Reduced their activation level to Level III on June 24.

Hopkins County: Hopkins County is working with Como-Pickton to complete recovery assistance requests.

Morris County: There are three lift stations operating on generator power. Wastewater Treatment, PWRT is engaged and working to repair, awaiting a breaker which is supposed to arrive today. Then, will be able to determine what other repairs need to be made. Still operating on generator.

DDC 6 – Tyler (Includes: Anderson, Camp, Cherokee, Gregg, Harrison, Henderson, Marion, Panola, Rains, Rusk, Smith, Upshur, Van Zandt, and Wood Counties) The DDC EOC is activated at Level III

Panola County: The Texas Commission on Environmental Quality (TCEQ) has approved Panola County's permit for a disaster debris burn site.

Smith County: The city of Winona has issued a Boil Water Notice due to not enough power at treatment plant to maintain a safe operating pressure.

Region 5 (Includes DDCs 1, 2, 3, and 7)

IMT assigned to the city of Perryton has been released by the City Mayor, DC, and AC. IMT will demob on the morning of June 30.

DDC 1 – Amarillo (Includes: Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, and Wheeler Counties) DDC EOC is activated to Level II.

Motley County: Lubbock County deployed their Mobile Command Vehicle and Communications Trailer to Matador, Motley County. A Volunteer Reception Center (VRC) and a donation collection point were established at the Morris County Show Barn.

DDC 7 – Abilene (Includes: Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Throckmorton, and Taylor Counties)

Mitchell County: Mitchell County has issued a boil water and conservation notice, due to a drop in pressure. They are actively repairing the issues, without a current ETA.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

TDEM Communications Coordination Group (CCG): The CCG partners continue to prepare resources to support communications operations / outages that have occurred because of the severe weather. In the city of Lone Star in Morris County, there was a cellular outage impacting Verizon customers. A technician from Verizon and a generator were dispatched and repairs are underway.

TDEM Mass Care:

State Volunteer Agency Liaison (VAL): TDEM continues monitoring the status of the 243 cooling centers operating across the state of Texas and can be found on the TDEM website at: www.TDEM.Texas.gov/cool

TDEM Recovery: TDEM Recovery is monitoring damage submissions in iSTAT and pSTAT.

As of 8:00AM Tuesday morning, there were a total of 2,427 iSTAT submissions with 396 of those reported as destroyed, 537 as major, 642 as minor, and 852 as affected.

Additionally, 20 damage submissions have been reported in pSTAT from the city of Perryton with a cost estimate of \$5,359,422.

Affected Texans are being encouraged to self-report any property damage as soon as possible. Texans seeking to submit a damage survey should visit www.damage.tdem.texas.gov. Sharing pertinent details and photos of damage will assist emergency management officials in the preliminary damage assessment process.

As a reminder, reporting damages using the iSTAT or pSTAT is a voluntary activity, is not a substitute for reporting damage to your insurance agency and does not guarantee disaster relief assistance.

FEMA/State/Local Preliminary Damage Assessments (PDAs) started Monday, June 26 in Potter, and Randall Counties. TDEM Recovery HQ stands ready to support Regions for any needs they may have.

Texas A&M AgriLife Extension (AgriLife): Six DAR and CEA Strike Team members continued conducting damage assessments in DDEOC 5. Two DAR agents continued providing DDEOC support to DC5 and DC6. Two County Extension Agents assisted with sorting donations on June 24 in Matador.

Texas A&M Engineering and Extension Service (TEEX) Texas Task Force – Two (TX-TF2): Overhead personnel are assisting with base camp operations in Region 1, Districts 5 and 6.

Texas A&M Engineering and Extension Service (TEEX) Texas Public Works Response Team (TX-PWRT): Landfill cell: all work will be completed today. The ramp into the cell is being smoothed to final grade. An 18" berm will be built at the top of the ramp to prevent water runoff from entering the cell. A new STAR request has been submitted for the contractor to remain on site with two dozers and operators at the landfill for pushing up debris as it's dropped off. The need for the contractor to remain on site will be assessed weekly. The TX-PWRT wastewater operator will transition the operation of the plant back to the city. All Perryton TX-PWRT members will finalize all operations Thursday and demobilize Friday morning June 30 for home base.

Texas A&M Forest Service (TAMFS): TAMFS, TIFMAS, and AHIMT Resources are engaged and supporting Perryton, Matador, and TDEM Region 1. TAMFS continues to reevaluate the footprint of current resources and will downsize according to the operation.

Region 5: One Incident Management Team is on site at Perryton to assist with IAP development, resource management, and establishment of incident objectives from the local stakeholders. One Incident Management Team is assigned to Matador to assist with IAP development, resource management, and establishment of incident objectives from the local stakeholders.

Public Utility Commission of Texas (PUC): PUC continues to monitor power generation systems across the state and ready to respond as required.

Texas Animal Health Commission (TAHC): TAHC livestock inspectors remain in contact with local officials onsite and ready to provide support where needed, as assessments continue. The TAHC SOC Representative is participating in weather calls, monitoring WebEOC, submitting situational reports, and attending all necessary meetings.

Texas Commission on Environmental Quality (TCEQ): TCEQ continues to have staff available to respond to drinking water and wastewater issues. Staff are also available to provide technical assistance on temporary debris management operations and review and approve temporary debris management applications. TCEQ is tracking six drinking water systems that are on a Boil Water Notices (BWN). TCEQ has approved eight temporary debris management sites (TDMS).

Texas Department of Public Safety (DPS) Texas Highway Patrol (THP): Troopers continue to conduct moving patrol efforts throughout the affected areas to prevent theft and looting. THP is assisting at several roadblocked areas. DPS Troopers are also escorting the power companies into the area. Law enforcement will focus on anti-theft prevention and area security through the night hours. DPS personnel responded to the city of Matador due to the touchdown of a tornado.

Texas Department of State Health Services (DSHS): Emergency Medical Task Force (EMTF): As of June 27, - EMTF in Perryton, NE TX, and Matador has had total of 1,111 encounters, 188 treatments, and 170 transports. The EMTF Task Force Leader, Medical Incident Strike Team and all Ambulance Strike Team assets located in Perryton were released on Wednesday evening, June 28.

Texas Department of Transportation (TxDOT): TxDOT crews and equipment are cleaning up debris in the city of Perryton. TxDOT began depositing storm debris into the newly created cell at the Perryton city dump. TxDOT continues to clear trees from the Right-of-Ways in the Atlanta District of Region 1.

Texas Health and Human Services Commission (HHSC): HHSC staff are actively monitoring the situation and supporting impacted community members.

Texas Information and Referral Network (TIRN) 2-1-1 continues distributing information about cooling shelters and other related resources as needed.

Texas Military Department (TMD): TMD continues to support the SOC with four personnel.

Texas Parks and Wildlife Department (TPWD): TPWD Game Wardens have returned to normal operations. There are no unmet needs.

Volunteer Organizations Active in Disaster (VOAD)

American Red Cross (ARC): The ARC continues to assist impacted families in Amarillo, Matador, Perryton and in East Texas. Client casework is continuing.

Southern Baptist Texas Convention (SBTC):

Region 1: In Hawkins, a shower/laundry unit with support remains and in Winnsboro a shower/laundry unit with support, utility support unit, and bunk house remain to aid the community.

Region 5: SBTC has continued support of Perryton with a Feeding Unit, Laundry/Shower Unit with support, 2 crew cooling trailers, an IMT, and recovery unit to aid debris operations.

Texas Baptist Men (TBM):

Region 1:

Gilmer/Lone Star – The deployment for the tornadoes in the Gilmer/Lone Star area is continuing and expanding. All volunteers are staying at First Baptist Gilmer. TBM has deployed an IMT, asset protection, volunteer feeding, chainsaw, heavy equipment, man-lifts, shower/laundry-volunteers, and shower/laundry-public units. TBM has requested assistance from Louisiana, and they will be providing two (2) chainsaw teams working under TBM direction. TBM has processed 176 work requests and cleared 64. There are currently 48 volunteers on site.

Region 5:

Perryton - All volunteers are staying at First Baptist Church. TBM has deployed an IMT, chainsaw crew, assessments, asset protection, box unit, day volunteers, electronic support, feeding, flood recovery, man-lifts, shower/laundry, heavy equipment units and a temporary roof unit. TBM deployed a childcare unit to assist with childcare during the scheduled MARC. Volunteer and public feeding continues as well as volunteer and public shower/laundry services.

The Salvation Army (TSA): The Salvation Army delivered 200 food boxes to Mt. Vernon on Wednesday, June 28 to the Food Bank on Leftwich Street. The Food Bank will distribute these food boxes to those in need.

STATE RESOURCES COMMITTED

Agency	Resource Kind and Type	Personnel	Equip	Status	Location
TAMUS TDEM	Regional Response	3	3	Assigned	Perryton

TMD	SOC Light Support	2	0	Released	SOC
TxDOT	SOC Liaison	1	0	Assigned	SOC
TxDOT	Personnel	270	182	Assigned	Reg 1 & 5

FINAL COMMENTS: The State Operations Center (SOC) reduced the readiness level to Level III (Increased Readiness Conditions) as of 12:00PM June 26, 2023. The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I	(Emergency Conditions)
Level II	(Escalated Response Conditions)
Level III	(Increased Readiness Conditions)
Level IV	(Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
